Washington, D.C. – Today, Congressman Jerry McNerney (CA-11) announced that he will hold a telephone town hall to reach residents of Brentwood, Byron, Discovery Bay and San Ramon on Wednesday, February 3<sup>rd</sup> at 6:40 p.m. PST.

Continuing his efforts to reach out to the community, this telephone town hall builds on in-person events hosted by Rep. On Wednesday evening, residents from Brentwood, Byron, Discovery Bay and San Ramon will be contacted by phone and, if they choose to participate, will join an hour-long telephone town hall meeting during which they will be able to ask questions of Rep. McNerney.

Residents of any area of the 11<sup>th</sup> Congressional District can also contact one of Rep. McNerney's offices to sign up in advance for the telephone town hall. Rep.
